OUR SERVICES

IT SUPPORT

Our engineers can support you in your language. Choose a Partner for Flexibility, Reliability and Expertise.

IT SECURITY

Our team is highly competent and we have the certifications you require. We specialize in identity and access management, security, governance, and risk and compliance.

TAILOR-MADE ERP

SafeComs delivers an ERP system that streamlines business operations with integrated features and a user-friendly interface.

PDPA CONSULTATION

Introduced in 2019, Thailand's PDPA mirrors the European GDPR, ensuring stringent personal data protection and imposing penalties for breaches. Consultation is key for compliance.
